Missionary Moment

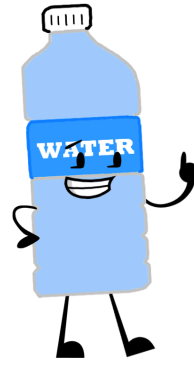

War has left many problems in Yugoslavia. According to Barry Kellem, one of our International missionaries, there is a feeling of hopelessness in the city of Belgrade, where he serves. Another negative factor is the Serbian Orthodox Church, which teaches many things not supported by the Bible. Our missionaries think a sort of revival may be on the way in Belgrade. Two new churches have been planted, and there is a growing group of young believers who are committed to reaching their city for Christ. Please pray for Barry and the other missionaries in Yugoslavia. Let's ask God to give hope where there is none and spiritual victory that will last longer than the political kind.
