Missionary Moment

In one of the largest cities in Southeast Asia, there are more than 70 new churches. Our church helped plant the churches by giving to the Cooperative Program. One of our missionaries met a young man who sensed God was calling him to plant churches in this city. The young man and his wife moved to that city to start churches where they met our missionary who trained him in the Bible and in church planting methods. Please pray for our missionary & these churches as they continue to grow.
